Mega Millions Jackpot Climbs to \$336 Million; Many Prizes Remain Unclaimed

TOPEKA, KAN. – The Mega Millions jackpot keeps climbing! The Friday, May 29, drawing will see an estimated \$336 million jackpot with a \$265.6 million cash option, making it the largest Mega Millions jackpot since December 2019. The Mega Millions jackpot was last hit on February 11, 2020, in New Jersey and was worth \$202 million.

[Mega Millions](#) offers nine ways to win and if you Megaplay, you could win \$5 million without even hitting the jackpot! Tickets start at just \$2 to play.

Drawings occur every Tuesday and Friday night at 10 p.m. Central Time. The deadline to buy a Mega Millions ticket is 8:59 p.m. on draw days.

There are many big winner draw tickets that have not been claimed, including several \$10,000 Mega Millions tickets; a \$150,000 and two \$50,000 Powerball wins; and two Super Kansas Cash jackpots, the \$100,000 prize in Northeast Kansas and the \$270,000 win from South Central Kansas. To see all large unclaimed prizes in Kansas, visit [here](#).

At this time, the Kansas Lottery is only processing claims through the mail. To claim a prize by mail, a player must completely fill out and sign the back of the ticket and completely fill out and sign a Kansas Lottery claim form, which can be downloaded [here](#). The Kansas Lottery recommends players take photos or scan the front and back of the ticket before mailing. For assistance with the process, players can email lottery.info@kslottery.net.

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery [PlayOn](#)® Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn® is a registered trademark of Pollard Banknote Limited used under license.
