Historic Powerball Jackpot for Wednesday's Drawing at \$750 Million

TOPEKA, KAN. – The Powerball® jackpot for the Wednesday, March 27 drawing is an estimated \$750 million with an estimated cash option of \$465.5 million!

Wednesday's jackpot is the fourth largest in U.S. lottery jackpot history and third largest in Powerball jackpot history!

In 2016, Powerball set a world record jackpot of \$1.586 billion. The three winning tickets were sold in California, Florida, and Tennessee.

If hit Wednesday, it would be the first Powerball jackpot won in 2019. The Powerball was last hit on December 26, 2018, in New York. Since the new year, the Powerball jackpot has rolled 25 times.

Powerball tickets are \$2 per play. Players select five numbers from 1 to 69; and one Powerball number from 1 to 26.
